

2018 Service Price List

Event Photography Day Rate = \$1600

6 hours

Photograph your event and preserve the memories in high resolution digital images. The day rate includes up to 6 hours of shooting on location, with all images uploaded to a proof gallery. You can select your 50 favorite images from the gallery that will be professionally retouched and delivered to you in high resolution JPG format. Additional images after 50 can be chosen for retouching and delivery at \$50/image.

Studio Day Commercial Shoot \$1000

6 hours

This package is ideal for commercial sessions with advanced setups. The price includes James' photography services for up to 6 hours, an assistant, and a hair/makeup artist. Lighting and backgrounds will be tailored to the individual project, and a gallery of proofs will be uploaded after the shoot.

Clients can select up to 20 images to be retouched and delivered with commercial copyright release.

Model fees are extra, and we have a variety of models on call with rates between \$25-\$150/hour.

Studio Group Session \$600

1.5 hours

The studio group session is ideal for families, small businesses, bands, and other small groups, up to 8 people. Lighting setups and background will be in place when you arrive, and adjusted throughout the shoot to accommodate different moods and looks.

Studio Headshot \$200

Half Hour

The headshot session is geared towards creating a professional profile image. You will select the desired background and look, and lighting setups and background will be in place when you arrive. Group discounts are available for organizations with multiple people in need of headshots.

Studio Portrait Mini Session \$200

Half Hour

The studio portrait mini session is ideal for experienced models and returning clients. The session will be planned in advance and lighting setups and background will be in place when you arrive, and adjusted throughout the shoot to accommodate different moods and looks.

Studio Portrait Session \$400

1 hour

The studio portrait experience allows you as the subject to get comfortable in front of the lens and connect with the photographer. Lighting setups and background will be in place when you arrive, and adjusted throughout the shoot to accommodate different moods and looks.

On-Location portrait and group sessions

\$400 first hour, \$100/hour after 1st hour

This session is ideal for companies who would like to showcase their staff working in their own work environment. It includes 10 retouched digital images for the first hour, and an additional 5 images for each additional hour booked. Images will be professionally retouched and delivered in high resolution digital format, with full commercial rights granted to the client for use in marketing, advertising, and online presence.
